# BARCLAY BUTERA UPHOLSTERY

WITH THE EMPHASIS PLACED ON ENTERTAINING TODAY, I THINK THE MOST IMPORTANT SPACE IN THE HOME IS THE LIVING ROOM, WHICH OFTEN ENCOMPASSES THE KITCHEN.

I love creating an environment that is warm, welcoming and encourages conversation. Traditional design elements suggest an air of familiarity but the look needs to be fresh and fashionable. I love balancing a bold design statement with interiors that are inviting, understatedly elegant and remarkably comfortable. To me, that defines new traditional style.

## FABRIC UPHOLSTERY

Please note that, throughout this catalog, certain upholstery frames are shown with special application fabrics, pillows or trims that were selected by Barclay Butera. In those cases, a suffix has been added to the frame number - AA, BB or CC - to designate that specific correlation. When ordering the item, the suffix will automatically identify the custom combination. If you wish to choose your own fabric or COM, just order the frame number without the suffix and specify the fabrics, pillows and trims of your choice.
