

# Parlova

*Tommy Bahama*<sup>®</sup>  
OUTDOOR LIVING

# Pavlova

With designs highlighted by sweeping contours and graceful lines, the Pavlova collection offers a fresh interpretation of classic contemporary styling.

Aluminum frames feature a sophisticated, lightly textured graphite finish, while table tops offer an elegant contrast, with surfaces that emulate the look and feel of honed limestone.

The collection includes an array of deep seating designs, small and large scale dining, bistro sets, bar and counter stools and a striking assortment of occasional tables.

Clean architectural lines and timeless styling blend to create an aesthetic that transforms an outdoor living space into a haven for entertaining family and friends.

*Tommy Bahama*<sup>®</sup>  
OUTDOOR LIVING

*The comfort of deep seating is essential for any outdoor entertaining venue. Pavlova offers an 83-inch sofa and a 64-inch love seat to accommodate any space. Shown here, the pair combine to create an ideal arrangement for engaging conversation.*

*Within the Pavlova collection, the 3911 series was created to offer an exceptional value on a curated fabric correlation offering remarkable design flexibility. Shown here, the exclusive body fabric features a crisp natural canvas coloration, framed with a dark graphite contrasting welt – both of which are Sunbrella® performance fabrics. This classic neutral correlation sets the tone for limitless styling possibilities using optional throw or kidney pillows, which is why the frames do not include standard pillows. The following spread highlights each of the deep seating frames in the 3911 series. Corresponding chaise lounge featured on page 21, dining chairs and bar stools are featured on pages 26-31.*

The Final Touches program is a collection of options that can be selected to create your custom outdoor upholstery at NO CHARGE.

Simply choose your seat fabric to determine the graded price, then select any combination of the following options to create your unique custom outdoor upholstery:

Contrast with FABRIC....using any fabric Grades A-B-C-D-E

- on both sides of standard throw or kidney pillows
- on one side of standard throw or kidney pillows
- on back cushions (where standard)
- on kidney pillow borders

Contrast with WELT....using any fabric Grades A-B-C-D-E

- on standard throw or kidney pillows
- on back cushions
- on seat cushions

Contrast with TRIM....on standard throw or kidney pillows

- add outdoor decorative fringe
- add outdoor decorative cord

Your choice...no charge. Final Touches No Charge Options applies to all custom outdoor upholstery frames. When using a seat fabric in Grades F-G-H, contrasting fabrics and welts at the same grade or below are included in the base price. However, if the seat fabric is Grades A-B-C-D-E, contrasting fabrics and welts in F-G-H require an upcharge. See dealer for pricing.

ALFRESCO LIVING

## THE FINEST MATERIALS

### CAST ALUMINUM FRAMES

Tommy Bahama Outdoor Living frames are engineered for strength and built to last using endurance cast aluminum. Joints are precision-welded for strength and durability and then ground and polished by hand to ensure a smooth and seamless look.

### CUSTOM FINISHES

Finishes on Tommy Bahama Outdoor Living products are specially formulated, with custom base coats and painstaking handwork, to achieve a unique look. Ultra-durable polyester resin powder-coated finishes are baked on cast aluminum frames, ensuring that they are colorfast and highly resistant to damaging UV rays. Finishes are also corrosion and scratch resistant. The element that sets these designs apart is meticulous handwork using techniques like dry brushing, padding and burnishing that result in a product that is virtually indistinguishable from fine interior home furnishings, yet built to endure the elements.

## PERFORMANCE FABRICS

Creating a seamless transition from an elegant interior décor to a stylish outdoor space is the essence of refined living today - and blurring the lines between indoor and outdoor living lies in merging beauty and durability. Fabrics must have the sophisticated look and luxurious hand of residential textiles, plus the performance technology to withstand the most extreme outdoor conditions.

The Tommy Bahama Outdoor Living program includes fabrics and trims from industry leaders in performance technology. A “performance fabric” is one with the following attributes:

- Fibers that are solution-dyed to the core, rather than simply on the surface
- Colorfast dyes that are highly resistant to fading from UV exposure
- Fibers that are inherently resistant to mold and mildew
- An extremely tight weave to withstand the wind and elements
- A durable finish for superior stain and water resistance

The Tommy Bahama Outdoor Living program is unique in the industry for its wide-ranging assortment of exceptional performance fabrics and correlating trims, offering the ability to customize upholstery whose impeccable tailoring, seating comfort and designer looks are equally at home, indoors or out.

## WEATHERGUARD™ UPHOLSTERY CUSHIONS

The exclusive Tommy Bahama Outdoor Living WeatherGuard™ cushion is engineered to be highly water resistant, mildew resistant and anti-microbial, while offering the most ultra-comfortable seating in the industry. In fact, the comfort is superior to the cushioning on most fine indoor upholstery. The unique construction consists of (4) distinct layers.

- The inner core is 1.8 lb. density, high-resiliency foam that provides unparalleled support, functioning like a box spring in premium bedding. It is both mold and mildew resistant.
- The second layer is soft-cell foam, designed to provide a relaxed but supportive seat, like a plush mattress.
- The third layer is spun polyester fiber, which is inherently anti-microbial and functions like a pillow-top, offering down-like comfort and a luxurious “crown” to the cushion.
- The fourth layer is a wrapping of water resistant non-woven ticking with a Tommy Bahama watermark to verify its authenticity. This ticking is thermally sealed to prevent water penetration into the layers below.

Seating comfort is one hallmark of the Tommy Bahama Outdoor Living program. The exclusive WeatherGuard™ cushion is your assurance that the quality, look and longevity of the cushioning will match its unsurpassed comfort.
