Ivory Key

Set against a landscape of lush bougainvillea, towering coconut palms, and pink sand beaches, Bermuda is celebrated for its colorful pastel homes and crisp whitewashed roofs. As Britain's oldest overseas territory, the culture is an eclectic fusion of British colonial, African, and European influences dating back to the 1500's. Drawing inspiration from this unique heritage is Ivory Key, the newest lifestyle collection from the Tommy Bahama Home portfolio.

Designs in Ivory Key feature the natural look and texture of woven raffia from the Raffia palm. The collection is finished in a crisp white coloration with subtle parchment highlights. The application of this finish over raffia offers a sophisticated take on island styling. Inspired by Moroccan influences, the quatrefoil pattern is used as a recurring design theme throughout the collection, including custom hardware in an aged silver patina.

CARING FOR YOUR FURNITURE

WOOD

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish – always rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol), and abrasives.

ANTIQUED BRASS AND METAL

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly – do not use a brass cleaner (it will damage the lacquer)
