Laurel Canyon

Contemporary design today has taken a decidedly casual tone. The look is clean and sophisticated, thoughtfully curated, with a major emphasis on comfort. Visual impact is achieved through statement pieces and an elegant blending of finish and materials.

Crafted from cathedral cherry veneers and mahogany solids, designs in Laurel Canyon feature strong architectural lines in a mocha finish with soft gray undertones. Metal bases are finished in hand-burnished silver leaf, with silver travertine tops.

Plush upholstered seating offers generous scale, highlighted by textural fabrics, contemporary patterns and soft neutral palettes. The vibe is casual, but the design aesthetic is one of refined self-expression.
