Zanzibar

Zanzibar offers a fresh take on relaxed contemporary living. In a play on contrasts, designs are crafted from quartered white oak in a warm taupe finish with bases and accents in a deep espresso coloration. Surfaces are gently wire-brushed to enhance the wood's natural grain, while sleek custom hardware, finished in dark umber, offers a striking complement. Upholstered seating features clean architectural lines with exceptional tailoring, highlighted by organic, textural fabrics in rich earthy tones. The look is approachable, yet dramatic in its modern interpretation of casual contemporary style.

Blending finish tones, fabric textures and design elements offers a fresh approach to modern contemporary living.
