LEXINGTON TURNS THE CONCEPT OF HOME INTO PARADISE FOUND WITH *ISLAND ESTATE* FROM TOMMY BAHAMA HOME

LAS VEGAS, NV – Imagine a warm westerly breeze rustling the palms, the rhythmic lapping of waves on the sand, and the fragrant aroma of lush tropical foliage. With a belief that immersing yourself in the island lifestyle should be as easy as walking through your own front door, Lexington Home Brands celebrates the debut of **Island Estate**, the newest introduction from Tommy Bahama Home, at the Las Vegas Market, September 14-17, 2009.

“When you dream of an island getaway, it could be Bermuda, Corsica, or even Manhattan,” says Phil Haney, president and CEO of Lexington. “Wherever the locale, **Island Estate** embodies a lifestyle that is elegant and refined, yet casual and cool. The essence of Tommy Bahama Home is a relaxed approach to the finer things in life.” The mantra that ‘Life Is One Long Weekend’ is fulfilled throughout your home by creating a soulful retreat from the stress and frenetic pace of daily life.

Island Estate lends inspiration to tropical design through a rich blending of natural materials, textures and exciting new finish colors. Designs for the whole home encompass an eclectic mix of British Plantation and refined Caribbean styling, with a playful dose of exotic island fun. The primary Plantation finish is a lightly distressed, sun-drenched Umber tone on Maple veneers. Supporting colors on accent items include Cilantro Green, Sangria Red, and Noche Black – each with a sophisticated rub-thru finish.

Woven abaca and lampakanai, reeded posts, stone tops, accents of copper, leather-wrapped bamboo, nail-trimmed leather, coco shell, and rattan are masterfully blended to capture the essence of elegant island living. Custom-designed hardware in a royal brass finish complements the striking mix of unique elements. The legendary success of the Tommy Bahama brand is born of a passion for self-expression. Whether your vision of paradise is a matched suite, or a chic and sexy mix of the eclectic, **Island Estate** offers the perfect interpretation.

The collection features sophisticated upholstered seating with an unerring eye toward detail, including authentic woven materials on the Hamilton Sofa, signature wood carvings on the Paradise Cove frame, and a graceful sweeping profile on the Agave Chair. Fabrics are tropical in inspiration yet stylish in their execution, including a rich assortment of island textures and signature prints in color palettes that are fresh and vibrant.

When you’re on island time, dawn begins whenever you wake up, and dusk signals the start of a whole new day. **Island Estate** is designed to capture the essence of sophisticated casual living by turning the concept of *home* into paradise found. Join us in celebrating the newest introduction from Tommy Bahama Home – the original Purveyor of Island Lifestyle, at the Lexington Home Brands showroom, C-1100 at the World Market Center in Las Vegas.
