INSPIRED BY THE PASTEL HOMES, CRISP WHITEWASHED ROOFS
and lush landscape of Bermuda, Ivory Key embodies the casual
and colorful side of Tommy Bahama. Traditional elements like the

like woven raffia and leather-wrapped bamboo to offer a spirited
take on refined island living.

which highlights a fresh palette of captivating island colors in the
collection’s assortment of custom upholstery. The look is elegant
and sophisticated but the vibe is casual and cool – a remarkable
lifestyle that reflects the essence of the Tommy Bahama brand.

Ivory Key

Set against a landscape of lush bougainvillea, towering coconut palms, and pink sand beaches, Bermuda is celebrated for its colorful pastel homes and crisp whitewashed roofs. As Britain’s oldest overseas territory, the culture is an eclectic fusion of British colonial, African, and European influences dating back to the 1500’s. Drawing inspiration from this unique heritage is Ivory Key, the newest lifestyle collection from the Tommy Bahama Home portfolio.

Designs in Ivory Key feature the natural look and texture of woven raffia from the Raffia palm. The collection is finished in a crisp white coloration with subtle parchment highlights. The application of this finish over raffia offers a sophisticated take on island styling. Inspired by Moroccan influences, the quatrefoil pattern is used as a recurring design theme throughout the collection, including custom hardware in an aged silver patina.

CARING FOR YOUR FURNITURE

WOOD
• Avoid prolonged exposure to direct sunlight.
• Do not house plastic or rubber materials on wood surfaces.
• Wipe up spills immediately.
• Clean with a suitable non-silicone furniture polish—always rub with the grain.
• Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (use polish solvents, alcohol), and abrasives.

ANTIQUE BRASS AND METAL
• Maintain with regular dusting.
• Wipe up spills immediately.
• Clean with mild soap and water, dry thoroughly—do not use a brass cleaner (it will damage the lacquer).

UPHOLSTERY
See the Lexington Upholstery and Leather Catalog for more information on cleaning and care for your product. Available from your retailer, by visiting lexington.com or by placing 1-877-378-5300, ext. 2. For current fabric information, see your Lexington Upholstery dealer.

CAUTION: Never remove cushion covers for separate dry-cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.
