The modern view of traditional design emphasizes clean lines, lighter finishes and the dramatic use of color to infuse energy into the room. The look replaces formality with a decidedly more inviting and approachable aesthetic. The Avondale collection takes classic design elements and transforms them using a crisp white finish, bright color palettes and bold fabric patterns. This creative approach takes traditional design in an exciting new direction, promising a fashionable, sophisticated, yet approachable take on luxury living today.

Arlington Platform Bed, King
82W 88.25L 64H in.

415-624
Fox River Bachelor's Chest
42W 18.75D 32H in.
The Arlington bed features graceful lines, tufted or button-tufted upholstered panel, sheltered by soft returns on each end, withrenched center panels on the side rails and footboard. The standard fabric on the headboard, as shown, is called Sebring, which is a woven chenille in an artic white coloration. The bed is also available in any fabric or customer’s own material to customize the look.
Avondale offers three distinctive nightstand options. Shown below is the 42-inch Fox River chest. The design features a soft bowfront and pendant hardware in a polished nickel finish.

On the opposite page, the 26-inch wide Abbey Springs night table offers a smaller profile, with open storage and a drawer below. The open storage space features dimmable touch LED lighting.
The 35-inch Tamera nightstand, with its graceful bowfront design, offers ample storage with three drawers featuring textured veneer fronts and custom hardware in a polished nickel finish. On the opposite page, the Inverness upholstered bed showcases a clean transitional look with a wood-framed upholstered panel, standard in the Westcott pattern, which is a linen construction in a winter wheat coloration. The upholstered panel is also available in any fabric or customer’s own material for a custom look.

The Inverness upholstered bed is also offered as a headboard only in twin, queen and king sizes. Shown here as a twin pair in a custom fabric, the setting demonstrates the remarkable visual impact of layering rich color into the room. The white Alabaster finish encourages creative self-expression and the ability to personalize the look using virtually any palette.
The 69-inch Silver Lake dresser and 45-inch Danielle drawer chest feature a graceful bowfront design, textured corner drawer fronts and polished nickel hardware. All drawers in Avondale have soft-touch self-closing drawer guides. Above the dresser is the 42-inch diameter Carreno round mirror, whose frame features raised fretwork in a transitional geometric design.
The Avondale collection offers a striking assortment of occasional chair designs, which add a layer of color and texture to the bedroom. On exposed wood frames, the Alabaster finish encourages the use of any color palette. These frames are also available in other custom finishes at no additional charge. Note the decorative fringe detail on the Kempton tufted swivel chair to the right. These special tailoring options offer a bespoke look to upholstered seating, further personalizing the design of any room.

The refined design of the Vernon Hills dining table features gently rounded ends, elegantly tapered legs, and polished nickel ferrules. The 80-inch table extends to 120-inches with two 20-inch leaves.

The clean transitional design of the Darien arm and side chairs are accentuated by spaced nailhead trim in polished nickel. The side chairs are shown here in the standard Sebring pattern—a woven chenille in an antic white coloration. The arm chairs are shown in a custom fabric, illustrating the extent to which the designs can be personalized through the use of pattern and color.
The 73-inch Oak Creek buffet - a signature item in the collection, features a transitional geometric fretwork design on the door fronts.

Behind each pair of doors is a felt-lined storage drawer and two adjustable shelves. One of the drawers is divided for silver storage. There is also a grommet behind each pair of doors to accommodate wire management when the piece is used as a media cabinet.

Scaled at 48-inches wide and 92-inches tall, the Lakeshore curio makes a significant design statement as a single unit or in pairs. The piece has glass doors and end panels, with five adjustable tempered glass shelves. Dimmable touch LED lighting strips on the top and sides of the piece serve to highlight the contents behind the glass, making it the perfect anchor item for any room.

The Lakeshore curio comes standard with an Alabaster white back panel as a 415-864. Two contrasting color back panels are also available as an option with the curio. For the soft sky-blue back panel, the item number is 415-864LB. For the taupe back panel, the item number is 415-864TP. This flexibility offers the opportunity to customize the look of the piece.
The Geneva arm and side chairs offer a stylish, fashionable designer look to dining room seating. Bespoke tailoring includes hourglass pleating on the outside back, bridged with a decorative buckle in polished nickel. Deep comfort chair backs offer extra exceptional comfort while complementing the graceful shape of the dining table. Chairs are shown here with the 54-inch diameter Bloomfield Round Dining Table in the standard Sebring pattern, but are also available in any custom fabric or customer's own material. The dining table design is also available in a 60-inch size on the following spread.
The 60-inch Lombard round dining table offers a classic silhouette, with a flared pedestal base and custom ferrules in polished nickel. The design is also available in a 54-inch diameter for smaller spaces or for use as a dramatic center table. The Geneva dining chairs are shown here in a custom fabric application. The standard fabric is shown on the previous spread.

The 65-inch Cedar Lake sideboard features a handsome design with exceptional functionality for the dining room. The open area at the top provides easy access to key serving items while four doors below offer concealed storage. Behind each door is one adjustable shelf. Note the elegant pendant hardware in polished nickel. Shown above the piece is the Hyde rectangular mirror. Featuring a transitional Pan-Asian design, the mirror can be used vertically or horizontally.

The Northbrook counter and bar stools offer a bold transitional design statement. The silhouette features spaced decorative nailhead trim around the seat and a cross stretcher and ferrules at the base. The nailhead trim, stretchers and ferrules are all finished in polished nickel, giving the piece an eye-catching sparkle. The standard fabric is Sebring, shown at the lower left, but the designs are also available in any custom fabric, leather or customer’s own material. The special teal embossed leather (9019-21) is an example of the visual impact that color and texture can make in the design of a room.

The fresh transitional design of the Riverdale cocktail table features acrylic posts, an inset glass top and mirrored bottom shelf. The polished stainless Steel Savino accent table has an interesting bracketed corner design with an intersecting cross-stretcher base and patterned tempered glass top.

On the opposite page, the Gatewick chair features pierced transitional fretwork on a barrel-back design. The chair is shown in the Sanibel upholstery finish, which complements the Alabaster finish on Avondale casegoods items.
The Elmhurst bar is another signature design in the collection. Traditional geometric fretwork on the bifold doors frames a piece of statement hardware in polished nickel. Behind the doors are a mirrored back panel, three adjustable glass shelves, a mirrored stationary shelf, two storage drawers, and a pull-out serving shelf. The piece features touch LED lighting with a dimmer switch.
The Dover chair offers a fresh transitional interpretation of the classic wing chair, with an exposed wood frame available in your choice of finish options. Shown here in the Sanibel finish, the silhouette is standard with a kidney pillow, offering lumbar cushioning and the opportunity to showcase contrasting fabrics.

On the opposite page, the 52-inch Bedford Park hall chest showcases a sweeping bowfront profile, textured veneer on the doors, and signature custom hardware with a polished crystal inset in the top.

Today’s new interpretation of traditional design emphasizes clean lines, lighter finishes and the use of pattern and color to add energy to a room. Shown here, the winter white Clarendon upholstered cocktail ottoman lends continuity to the look, pulling together the Alabaster finish on casegoods, and the Sanibel finish on upholstered pieces.
The 82-inch Brookline sofa features strong transitional lines, with a single cushion bench seat and three-cushion back. Tapered legs, shown here in the Sanibel finish, are available in any upholstery finish to customize the look.

The 60-inch Hampstead settee is perfectly scaled for use in the bedroom or in pairs. The single cushion bench seat and elegant saber arm design offer a clean transitional look in any fabric application. The 18-inch square Hoffman metal accent table sparkles in polished stainless steel with an inset mirrored top.
The Piper and Robertson swivel chairs feature a unique metal plinth base in brushed nickel. The Robertson design has a unique cut pattern on the outside back that looks striking when contrast welts are applied. Shown here in leather, both silhouettes are offered in fabric as well.
The 72-inch Hamilton media console has a unique design featuring curved ends to display decorative accessories. A pair of sliding doors have textured center joints and pendant hardware in polished nickel. There is an adjustable glass shelf on either end. The center compartment has one adjustable wooden shelf with a storage drawer beneath.
The 82-inch Brookfield media console offers ample storage with four full-extension drawers featuring textured veneer fronts. Four open compartments provide easy access for components or a display area for decorative accessories.

Furniture Care

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a non-solvent furniture Polish, rubbing with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (mail polish remover, alcohol), and abrasives.

Metal Care
- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly.
- Do not use a brass cleaner (it will damage the lacquer).

Upholstery Care
- See your Lexington Upholstery dealer, visit www.lexington.com, or call 336-474-5300, ext. 2.
- Never remove cushions for covering. Never use bleach or any tumble method of cleaning.

Construction Note
- In order to provide our customers with the best possible quality and value, this collection includes items or components produced outside the United States. All Lexington Home Brands furniture is produced to Lexington Home Brands design and material specifications and crafted to meet the highest quality standards.
