KITANO

THE KITANO COLLECTION was inspired by today's more casual view of contemporary living. Designs blend the elegance of Zebrano veneers in a warm hazelnut coloration with the cool, modern sophistication of brushed stainless steel. Subtle angles define silhouettes, a rich finish highlights strong horizontal grain lines, and correlated upholstery softens the look with beautifully executed tailoring.

Today's contemporary aesthetic embodies a more curated, comfortable and casual approach to interior design. The look retains the eye-catching appeal of contemporary lines, but the tone is one of understated elegance. Kitano represents a masterful blend of comfort, sophistication and style, delivering an inspired take on modern contemporary living.
